CLINIC OF NATURAL MEDICINE *by* CGH EARTH

METABOLIC RESET

7-Day Drugless,
Non-Invasive Nature Cure Programme
In The Natural Healing Spaces Of
Panchalimedu, Keralam.

A Gentle Introduction To Naturopathy That Creates A Healing Environment For Your Metabolism

Designed for those new to nature cure,
the Metabolic Reset Programme makes Naturopathy
more accessible through a supportive, comfortable,
and deeply restorative experience.

Why A Metabolic Reset Matters

Your metabolism is the silent engine of vitality, influencing sleep, digestion, immunity, energy, and even emotional balance. When it thrives, the body feels lighter, clearer, calmer, and more energetic. But if it's imbalanced; fatigue, cravings, stress, and lifestyle disorders quietly take root.
